

Remarks

Claims 1-4 and 6-26 are pending. Claim 5 is canceled in this Response.
Claims 6-26 have been allowed.

Objections to the Drawings and the Specification

Replacement sheets 1 of 7 and 5 of 7 presenting Figs. 1 and 5 more clearly accompany this Response.

The Specification has been amended to correct the part number discrepancies noted in paragraphs 2-4 of the Office Action.

Claims 1-5

Claim 5 was objected to as being dependent on a rejected base claim but would be allowable if rewritten in independent form. Claim 1 has been amended to include the limitations of Claim 1 and, accordingly, Claim 5 has been canceled.

All claims are now in condition for allowance. The foregoing is believed to be a complete response to the outstanding Office Action.

Respectfully submitted,

By

Steven R. Ormiston
